

CONVENTION

This is a great opportunity for youth to come see how issues, policies, and structures are updated yearly within the Diocese! Youth delegates and alternates will represent their region and be able to voice their opinions and vote. Youth pages will assist during the convention in passing out ballots, assisting the Bishop, Canon to the Ordinary and technical support. All youth are invited to a lock in that Friday night where we will create community and have fun including playing games and watching a movie! Saturday morning there will be a breakfast with the Bishop, clergy, and lay members where youth will be able to ask questions and have a small group discussion.

Youth will receive an absence note for this event. Both youth delegates and youth pages will have a chance during the convention to speak at the microphone to any issue that requires voice. Youth pages will also work at the youth booth to advertise for camp and other youth events within the Diocese! At the catered breakfast on Saturday, youth will be able to hear from clergy and lay mentors what's happened at convention as well as speak with the Bishop about theology, policies, and beliefs. Come join us for a learning experience that can be counted as service hours!

What's Included:

- Dinner on Friday and breakfast on Saturday for those that attend the lock-in
- Transportation to the church for the lock-in after Convention

Packing List and
Consent Form
