HAPPENING RETREAT

Happening is a national program designed, staffed, and run by Episcopal youth! This weekend will deepen your relationship with Jesus and connections with those on similar spiritual journeys. General activities include large group talks, small group discussion, prayer through art, games and time spent enjoying the outdoors! This retreat is similar to New Beginnings for middle schoolers and Cursillo for adults. Happening is being held at Claggett Center in Adamstown, MD.

For first time Happeners, the majority of the event will be a surprise! This is done so that youth will be able to enjoy time with God and each other and just be on a retreat! Each year has a special theme--activities, events and the retreat t-shirt are all centered around this theme! Happening is lead by high-schoolers who have previously attended Happening before. As part of this, attendees will hear testimonials from the youth leaders. Youth will spend both Friday and Saturday night at Claggett Center. On Sunday, a closing Eucharist given by Bishop Sutton will take place after lunch where both parents and youth workers are invited to attend. There will be time provided for students to work on homework over the weekend. Come join us in fellowship, food, and fun!
